TRADITIONAL WITH A TWIST

Do you have your heart set on a traditional wedding and reception but in a unique and beautiful setting? We can help you have the chic and elegant wedding of your dreams.

FANCY AND FUN

Would you like a formal ceremony, followed by a more casual reception? Would you like to change clothes into something more comfortable after the ceremony? It is up to you. Everyone will enjoy your special and memorable day.

PARTY IN THE PARK

Is your idea of a wedding celebration a more casual day spent playing and eating outside with family and friends? Celebrate with a reception where guests can play cornhole, have a baseball game, enjoy the play grounds, go for a ride on the paddleboats and food is available for 5 hours. Choose your menu from the Party in the Park Option.

No matter your style, your guests will have fun while you are taking pictures. Nobody feels boxed in, and nobody has to leave. We want you to make this day your own! Do you have some ideas, some definite "wants and don't wants"? Or would you like some help as you make your decisions? We are happy to assist you in any way we can. You are only limited by your imagination. Together let us plan your dream wedding!

UPSCALE PARTY IN THE PARK

This option combines the elegance of a more formal dinner with the beauty of the outdoors. Imagine getting married on our wedding deck, which sets alongside Wiegand Lake. The backdrop is breathtaking as you exchange your wedding vows. Then, as you take pictures on our grounds, your guests enjoy all of the amenities that we have to offer. When it is time to gather for your meal, everybody remains outdoors. Choose from the Banquet Hall menu with food available for 3 hours. Celebrate in the fresh air! Family and friends will enjoy your joyous day outdoors.

FACILITIES

We feature four different wedding venues at our park, any and all of which can be utilized by you to design a completely unique and exciting celebration for you and your guests!

First, our spacious wedding deck (pictured on our booklet cover)! A stunningly beautiful setting for your ceremony, typically your day starts here. Situated on the edge of the lake, the wedding deck is able to seat at least 250 guests. Nestled in a quiet cove, away from any noise or interruption, the wedding deck is surrounded by nature: towering trees, vibrant flowers, chirping birds and the water gently lapping just a few feet from where you'll stand to recite your vows. We feature a handmade natural redwood arbor with matching flower boxes, ready to decorate, or beautiful on its own. Potted ferns line the lakeside deck railing.

Second, the park grounds! Behold the century-old trees, beautiful gardens and pavilions, not to mention the picturesque lake, with overlooking swings and benches. After your ceremony, please invite your guests to adjourn to enjoy the park's amenities. If you need to slip away for photographs, rest assured your guests will be well cared for. They can enjoy appetizers and beverages, and are welcome to play some cornhole, enjoy a paddle boat ride, or simply sit under the trees, catching up with friends and relatives. Depending upon how you design your day, the party may include more substantial food and drink at this time, and all the traditional activities like toasts, cake cutting, the garter toss, and dancing, integrated into a day-long party in the park! Or, you may choose to move on to our next venue.

Our party center has two levels. The lower is venue number **three**, our Banquet Room. It is completely furnished and ready to serve a buffet-style dinner, with oblong tables, padded chairs, a serving area, ceiling fan-lights, lovely restrooms and a gas log fireplace.

Here you may have an intimate dinner for 150 - 175 guests, depending upon your seating arrangement. Our food is made on premises with the freshest ingredients, by us, just for you! Salads and rolls are typically at each place setting as guests filter into the Banquet Hall, with the remainder of the food served buffet-style by our staff, and is all-you-can-eat. We never run short of food!

After dinner, your guests will be intrigued to discover the **fourth** venue upstairs, our Rustic Ballroom! Built in 1937, with large wooden beams and a dramatic peaked and raftered ceiling, the hall has a stage and dance floor, as well as ample tables and seating, and areas for the bar, dj or band, cake, and coffee station. We have a huge covered deck, lined with decoratively-designed park benches and side tables, which serves to extend the room, and the music, into the night air. Beverages are served at the bar, as well as cookie trays, chips or any other snacks that you might want. We can also serve dinner upstairs in the ballroom. Maximum capacity for dinner upstairs, using either round or rectangular tables, is about 175 guests, assuming the wedding party is seated on the stage.

DECISIONS, DECISIONS...

This list is meant to be used to help you and your fiancé make some decisions, to help you decide what you want your day to be like. Answering these questions will allow me to help you create your perfect day, unique to the two of you!

- 1) **What's your style?** Which of the four venues in our park (the Wedding Deck, the Picnic Grounds, the Banquet Hall, and/or the Rustic Ballroom) would you like to use?
- 2) **What is the general timeframe of your day?** Try to rough out a schedule, including ceremony, cocktail hour, dinner, cake cutting, and dance.
- 3) **Will you need chairs for the wedding deck (or ballroom in case of inclement weather)?** The number of ceremony chairs needed is your total guest count minus you two and your wedding party, since you will be standing for your ceremony.
- 4) **What food do you want served?**
- 5) **Do you want beverages, including alcohol, served prior to your ceremony, or afterwards?**
- 6) **Will you want to have alcoholic beverages?** You may serve the following at our park: draft, canned, or bottled beer, hard seltzers, wine coolers, wine, champagne, and/or a signature drink you've mixed at home. There is a bar located in the pavilion in the main part of the Park Grounds, and one in the Rustic Ballroom. You may have a bar at either place, or consecutively, for the cocktail hour and then dinner. Wine/Champagne bottles may also be placed on the dinner tables. (See more about alcoholic beverages on page 7.)
- 7) **Will you be having table decorations: centerpieces, place cards, favors, chair covers, sashes?** Please note that we need table runners (if you're using them) delivered to the park early during the week of your wedding.
- 8) **Will you want decorations for the wedding deck and grounds: flowers, bows, table decorations, etc.?**
- 9) **Do you want a wedding cake or would you like cupcakes, pie, or some other dessert?** You provide the wedding cake and we can cut it for you.
- 10) **Would you like to have a firepit where your guests can gather?** Whether you are in the banquet hall or on the park grounds, we can set up a firepit for your guests to enjoy. Smores anyone???
- 11) **Think of each venue you will want to use.** What kind of music would you like played, and who will provide it? We can provide background music to be played on the grounds. Will you want a DJ, band,

ALCOHOLIC BEVERAGES & MUSIC

We do not have a liquor license, which means we cannot **sell** you alcohol itself, but can take delivery, keep it refrigerated, set it up for serving, serve it, and provide cups, ice, and bar attendants.

We allow beer in cans, bottles or kegs, hard seltzers, wine coolers, wine, and champagne. We are also happy to pour a signature drink that you make at home and bring in a beverage cooler.

We will then transfer it into our clear dispensers for serving. Other hard liquor is not permitted in our park.

We have an arrangement with a beverage company who will deliver the alcohol to our park for your convenience. You may buy your alcohol from them or from anywhere else you choose.

Bars may be set up in the pavilion on the grounds, and in the Rustic Ballroom, consecutively only (not simultaneously), at no extra charge. Typically, the pavilion bar is used for cocktail hour, and the Rustic Ballroom bar is used for the after-dinner reception. Please purchase canned or bottled beer for these bars. Keg beer may be served at the Rustic Ballroom bar only by special arrangement.

The safety of your guests is very important to us, as we are sure it is to you. Please arrange for designated drivers, transportation services, and/or a party bus for those who may need it. Ask about getting this service from your hotel as well as from local transportation companies.

You may hire a band, DJ, soloist or use an electronic device to provide music for all or part of your day.

We have multiple electric outlets in all of our buildings, as well as at the Wedding Deck.

We have a sound system from which we can play your electronic device over the speakers on our grounds. You will need to bring a sound system or speakers to play music on the Wedding Deck and in the Rustic Ball room and Banquet Room.

FREQUENTLY ASKED QUESTIONS

How long is our day?

Up to 11 hours, including floral, cake, dj, and photo booth set-ups, as well as the actual wedding and reception.

How late can we go?

We open as early as 9 A.M., and we ask that the music start winding down at 11:15 P.M. for evening receptions, with everyone heading home no later than midnight.

Do you offer food tastings?

No, sorry, we don't, as our kitchen is only open during scheduled events, not daily. But, you can check out what wedding couples who got married at our park had to say about our food by reading our online reviews. We use the best ingredients, prepared freshly just prior to your dinner, in ample quantities. We are well-known for serving food people truly enjoy!

Can we bring the alcohol, decorations, etc. out to the park during the week before the wedding?

Yes, we prefer it! Just make the arrangement with us - we have secure storage space available.

Can we have a ceremony rehearsal?

Sure, a two hour ceremony rehearsal is included at no extra charge, and is typically one day prior to the wedding. You may want to decorate that day, too.

Can we have the rehearsal dinner at the park?

No, but we can recommend nearby restaurants if you need suggestions.

Does the park allow outside caterers?

We are well-known for our wonderful food, and provide most of it, but you may bring in the cake and/or other desserts, if desired. (We don't make wedding cakes.)

What if the weather is iffy?

You'll need to decide if your ceremony must move inside the Rustic Ballroom no later than two hours before the scheduled ceremony time. The best way to be completely covered in the event of inclement weather is to schedule your dinner in the lower level Banquet Room no matter what. Then, if the weather is good, you'll have your ceremony on the wedding deck, cocktail hours in the park grounds, dinner downstairs, and reception upstairs, with each venue set up in advance for each portion of your wedding day. If the weather IS inclement, your ceremony and appetizers will be in the Rustic Ballroom, and then dinner will be served in the lower level Banquet Room. While you are eating, the upstairs will be rearranged to accommodate your reception, which will follow dinner. If, on the other hand, you choose to eat upstairs no matter what the weather, just know your ceremony guests will sit at the dinner tables which have been set in advance and there will likely be no center aisle. Either room works, it's just a matter of what works best for you!

FREQUENTLY ASKED QUESTIONS

How accessible is your park for handicapped guests?

Our grounds are a natural setting, with tree roots, rolling terrain, and distances between venues. However, we have made every effort to make our park as accessible as we can. Handicapped parking can be made available. We also have a drop-off driveway for the Banquet Room and Rustic Ballroom. We have boardwalks from the parking lot to the main park grounds and to the restrooms. We provide shuttle service anywhere possible, including to the wedding deck, for those guests able to transfer to a vehicle seat. We've installed a wheelchair lift to aid guests in going from one floor of the dance hall to the other and they are always staffed during your event. Our hall restrooms are located on the same level as the lower level Banquet Room, and are ADA accessible. And, we've built wheelchair-friendly picnic tables. It is important to us that ALL of your guests feel comfortable and well taken care of!

Are your buildings heated / air conditioned?

No, they are not, but we DO have a large propane-fueled fireplace in our Banquet Room, as well as large, quiet exhaust fans upstairs in the Rustic Ballroom, for your comfort. We also have a fire pit for bonfires in the central area of our park grounds. One may also be built by us just in front of our Dance Hall. You can rent portable propane heaters from us, and they do an excellent job of warming the rooms, however, air conditioning the same space just isn't feasible. Having said that, we typically allocate only our dates in May, June, September, and October for weddings because they are the most comfortable months to hold your wedding here!

When is payment due?

The rental fee is due to secure your date. We ask for one half of the expected catering bill halfway between the date of booking and the date of your wedding, with the remainder due when billed, two weeks before the day of your wedding. We prefer payment by check.

What about cake cutting and Champagne pouring?

We offer both services, free of charge!

Can we bring our own glasses, dishes, linens, and/or silverware?

We have to say no. We are totally committed to the quality of our events, which includes every aspect of appearance, including table settings. In the past, we've had unfortunate experiences when people brought their own, such as incorrectly sized and stained tablecloths, not enough silverware, and dirty or chipped dishes and glasses. We know this because we always hand-inspect every piece of tableware for damage or dirt before it's set on the table. You can't bring your own because we have no ability to correct a situation if we have not rented the tableware from our own supplier.

What if we break a glass?

You will be charged for that glass on your final invoice.

What about tablecloths?

1. Bridal tables and serving tables may be either floor length or half-draped with a skirt.
2. Guest tables may be either floor length or half-draped.
3. A sweetheart table (for 2) typically has a floor length tablecloth plus an overlay, and can be one or two colors.

Who cleans up during and after the event?

We do, of course, including table bussing throughout the evening!

FREQUENTLY ASKED QUESTIONS

What can we have for decorations?

The entire park is adorned with hanging baskets of flowers, ferns, flowering bushes, gardens, and beautiful trees. You may decorate as much as you wish, but please, no nails, staples, etc. If you are not sure what's allowed? Just ask!

Should we make a seating chart?

That is up to you. If you do want to make a seating chart, please see page 17 for all the details on what we need to know!

Do we pay the same menu price for children?

Good question! We do not charge for babies. For everyone else, our prices are already prorated (lowered) to reflect that small children may not eat as much food. Basically, you pay the quoted price for anyone who will have a place setting.

You CAN decide if you want the little ones to have regular china and silverware or plasticware at their place setting. And please remember to let us know if there will be babies who don't need a place setting but will need a chair for their baby carrier to set on, or if anyone will be bringing a high chair. We have one wooden highchair for your use.

Are there nearby hotels?

The closest are at Rt. 271 and Chagrin Boulevard in Beachwood. If you are looking for someplace close by for your wedding night, Punderson Manor Lodge and The Inn of Chagrin Falls are both very nice!

OK, I'm hooked! How do we proceed?

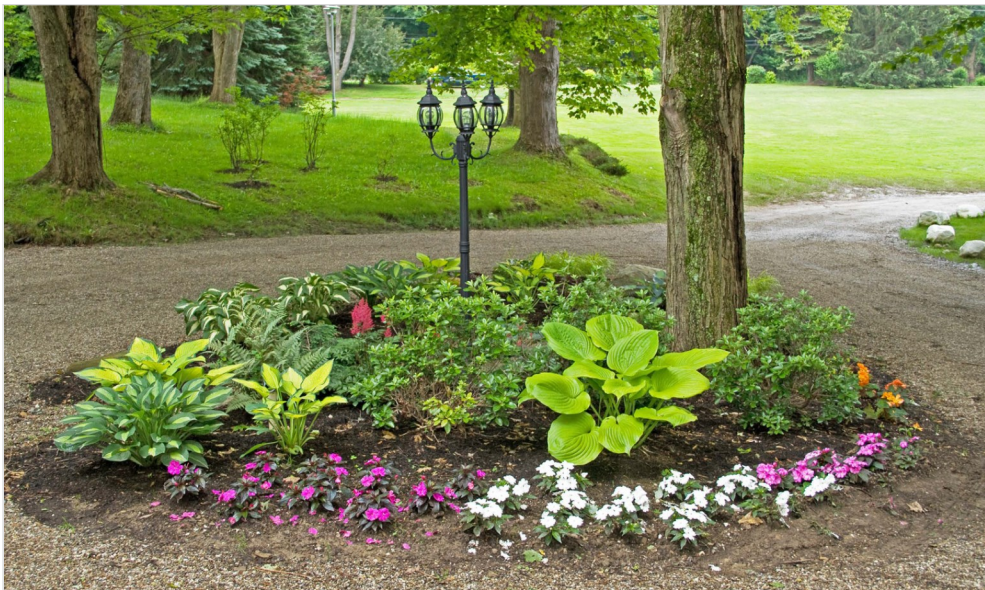

Schedule a visit and let us give you a tour of our park.

Ask Carrie for a list of available dates.

Request a quote based on the date you'd like, the number of guests you expect, and the food and services you want included.

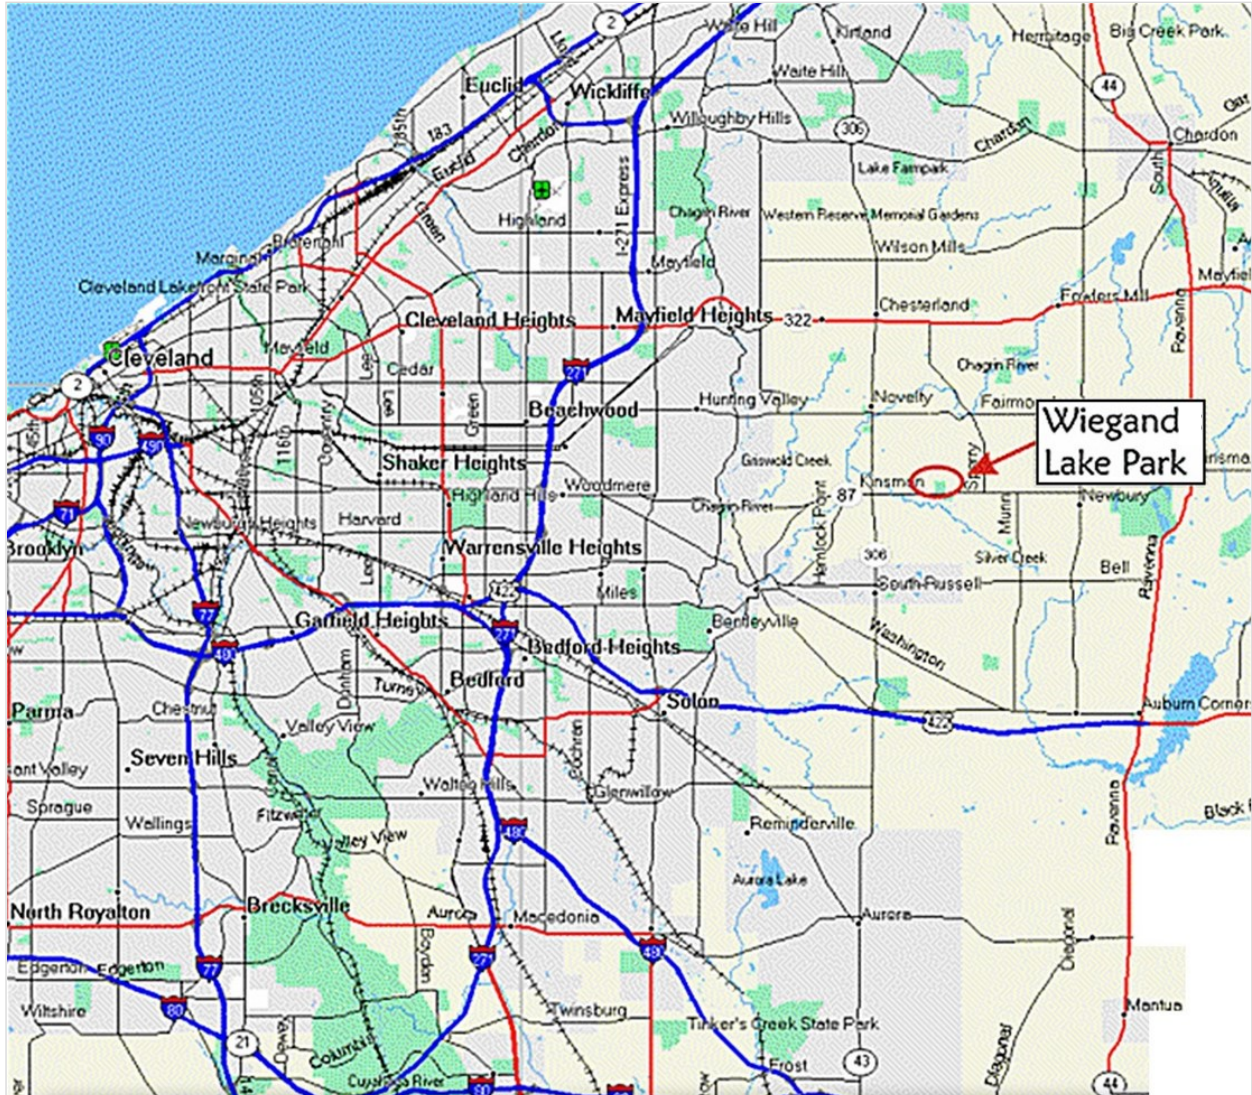

Email your completed checklist (pages 16-18) to info@wlakepark.com.

Our goal is for you to be delighted with the ease of the process and book your date!

We look forward to working with you so you can begin “Making Memories at Wiegand Lake Park”!
